We at matters+ have been working incredibly hard over the last 18 months to perfect our intuitive platform for the in-house legal community. See below for some of the awards and nominations that we have recently received in recognition of our hard work!

Most recently, Weetabix has been shortlisted for the in-house legal operations team of the year, sponsored by Digital Legal Exchange. This follows their seamless adoption of matters+ within their in-house legal function.

In addition, we were shortlisted for *Future of Legal Services Innovation - In-House Legal Operations* in conjunction with Weetabix and Shoosmiths at this year's Legal Week Innovation Awards.

Looking back to 2019...

Matters+ was shortlisted in the same Legal Week Innovation Awards for *Client Management Innovation*, as well as being the runner-up at the British Legal Technology Awards 2019 for *Alliance of the Year*.
